

Jockey Person to Person™ Kicks off Comfort Across the Country

There's a Fun New Girls' Night out in Town and You're Invited

Kenosha, WI (Grassroots Newswire) November 26, 2006 -- Jockey Person to Person® is launching a cross country tour to kick off their newest product line, catalog and unique business opportunity by taking the show on the road in 15 different locations throughout the US. Members of the home office team will pack their bags and team up with local Comfort Specialist® consultants to celebrate achievements, introduce new products, and share the compelling business opportunity and bright future of Jockey Person to Person.

“We couldn’t think of a better way to share our amazing products and business opportunity than getting out there in person.” said Diane Nopenz, Vice President of Sales of Jockey Person to Person, Inc. “This business was created so women wouldn’t have to choose between their family and their careers, by offering an opportunity to balance both in a fun and creative way. We wanted everyone to know that there is a fun new girls’ night out in town and everyone is invited!”
